

MyState Bank considers our mortgage brokers as strategic partners and regards our interests as being aligned.

If we provide great products, service and outcomes to your customers, we know it will help you grow your business.

To help us to continually improve, we need your input, not only about how we operate, but also about industry and other issues that concern you and that we may be able to assist with.

This is why MyState Bank sends survey forms to its brokers from time to time.

Please take a few minutes to [complete this brief survey](#) and be in the running to win a gourmet food and wine hamper packed full of delicious of Tasmanian goodies.
