Hi ,

It's time to wrap up our winter campaign, but not before we bring you more good news!

Back in March, we changed our lending policy in response to the significant uncertainty as a result of COVID-19. We've listened to your feedback and made the following policy changes that are effective immediately.

Overtime

We now accept 100% of overtime for all Near Prime, Specialist and Specialist+ borrowers provided it has been consistent and ongoing for 6 months. If using 100% of overtime for Prime, then Contract/Letter of employment is required, confirming overtime/shift allowance is a condition of employment. Contract/Letter of employment is not required if income is earned within essential services or road transport services.

Rental Income

On a case-by-case basis we will now accept future rental income for investment properties purchased with Bluestone. Please discuss any scenarios with your BDM.

Industry Restrictions

We have resumed lending to self-employed borrowers working in the following industries - tourism, hospitality, entertainment/arts, and retail.

We aim to make working with Bluestone as easy as possible - so stay tuned for more changes coming soon!
