

Have a client that needs a personal loan? We've got you sorted.

Hi there,

Have you heard the exciting news? We've just launched our new online personal loan program and referring your clients couldn't be simpler!

What can my client use a personal loan for?

Our personal loan can be used for a number of any worthwhile purposes including debt consolidation, home upgrades or vehicle purchases to name a few.

I think this personal loan is right for my client, what do I do?

We've made referring quick and easy. Simply login to the Bluebay Broker Intranet [here](#) and click 'Refer now' under the Personal Loan tab. You will just need to enter your clients contact details to complete the referral.

What happens next?

We'll email your client notifying them of the referral, along with a link to our online application. They can apply in under 10 minutes and receive a response in under 60 seconds.

We'll then assess their application and communicate the outcome directly to them. If approved they'll receive the funds within 24 hours.

When your clients Personal Loan is approved and subsequently settled we will then pay you a flat fee of \$400 which is paid with your monthly Commission payment schedules.

Sounds easy?

It is! For more information, visit our [website](#) or get in touch with Business Relationship Manager, Lisa Van Weelde on 0438 924 711 or lvuweelde@bluebayhomeloans.com.au. You can also hit the button below to refer now.
