Broker Relationship Manager for WA is Changing

We wish to advise that after a very long career in banking, your current BRM Lianne Dickson has decided to see what a life of leisure is like and will be retiring on Friday 27th August, 2021. I would like to personally thank and acknowledge Lianne for her many achievements during her time with the Auswide in looking after her broker portfolios, one of which is WA .

This has given me the opportunity to do some restructuring with our current Broker portfolio management.

I have appointed one of my existing BRMs, Sharon Giddins to take on the management of the WA portfolio. Many of you will be familiar with Sharon as she has assisted with the WA portfolio in the past when Lianne has been on leave.

Sharon is one of our experienced BRMs, currently managing the CQ, NQ portfolios for me. With a strong background in lending, credit policy knowledge, and broker management I have every confidence that Sharon will provide an outstanding broker experience and support to you. I encourage you to reach out if you have any questions regarding scenarios, FHLDS, loan structures, policy-related questions, or just some general information about Auswide.

Sharon regularly runs Auswide Update Clinics. If you would like to meet Sharon or find out all of the latest updates on our Broker Initiatives, FHLDS or Current Specials and Campaigns simply click on the button below to request her to book you into one of her clinics.
